

# THE TOWN CRIER

Volume 29, Issue 1

February 2016

## WINTER WEATHER PROCEDURES

In the event of a heavy snowfall, the Mayor may make a snow emergency declaration to begin at either 8AM or at 8PM.

The Borough will institute the **odd/even** parking designation during snow emergencies and **ONLY** during those times.

If the snow emergency begins at **8PM** (in the **EVENing**,) vehicles must be parked on the **EVEN numbered** side of the street; if at **8AM** (*morning*), cars must be moved to the **ODD numbered** side of the street. The objective is to achieve bare pavement on all Borough streets within 36 hours after a snowfall has ended.

Snow emergencies will be announced on local media and on [www.hollidaysburgpa.org](http://www.hollidaysburgpa.org).

Please remember that **ANY** vehicle that violates the parking regulations imposed by a snow emergency **WILL BE TOWED AT OWNER'S EXPENSE**.

Remember, odd-even parking restrictions are only in effect when a Snow Emergency has been declared!

According to Borough Ordinance, **all property and business owners** must clear all sidewalks of snow within **24 hours** of the end of a snow event!

## SNOW SHOVELING

With the continuing winter weather, please be considerate of your neighbors and remember to shovel sidewalks **within 24 hours** of the end of a snowfall event. The buildup of snow and ice on sidewalks can be dangerous for pedestrians of any age, and Borough Ordinance requires residents to maintain a **30 inch pathway free of snow**. The Borough appreciates your cooperation with keeping the sidewalks safe by complying with the Borough's Ordinance!

## SLEDDING REMINDERS

To accommodate the popular wintertime activity of sledding, during times of significant snowfall, Spruce Street will be closed between Bella & Bell Streets (the "double dips") to allow for sledding between **8:00 AM and 10PM**. **There should be no sledding after 10PM**. Remember that the street will **only be closed** when there is a significant snowfall, not every day in the winter. **Parents, please remind children of this precaution!**

Work was recently done and will continue for the care and up keep of the park. Councilman Joseph Dodson is reaching out to the residents and neighbors for support of these tasks. ## MESSAGE FROM THE MAYOR...

Greetings to you and your family in 2016! The Borough has a lot to look forward to this year. It is expected to be a great one!

I would like to take a moment to recognize the hard work that went into cleaning up, keeping the citizens safe, and getting the town moving again after the recent snow storm. It was a job well done! The patience and participation of you, the residents, during cleanup was much appreciated as well.

Please remember to always be mindful of fellow residents and drivers in the event of snow storms as some streets will become a bit narrower with the excess snow.

Let's continue to work together to keep our town safe!

~Mayor Stultz

## TOYS FOR KIDS PROGRAM SPONSORED BY POLICE

The Toys for Kids program was able to help make Christmas a little brighter on December 16th when a total of **186** wrapped gifts were delivered to the three schools for **42 children**. These children were referred to the Toys for Kids program by the Hollidaysburg Senior High and Junior High schools and CW Longer school nurses. This program has continued for the past 26 years. A special thanks to all those who donated!

## HELP THE FIRE COMPANY FIND YOUR HYDRANT...

During a snow storm, the fire company is asking that the community help keep fire hydrants accessible near their homes. The act of clearing out around the hydrants could help save lives in the event of an emergency. Thank you!

## A NOTE FROM THE CHIEF

## IRC NEWS

### Free IRC My-Waste App

In an effort to make recycling easier for everyone, the IRC has worked with My-Waste to develop a smart phone app for our area. Exciting features for residents include: the ability to report a missed collection, sign-up for alerts, set a personal recycling calendar, and search for nearby dropoffs.

You may use this feature on your desktop or download the mobile app to your smart phone device. You can find the app on our website, Google Play, or iTunes.

**R&D Compost Facility** The R&D Compost Facility located in Duncansville will remain open through spring. The facility will be open Tuesdays from 12PM – 5PM. Screened Compost or Screened Mulch will be available for purchase between the hours of 3PM and 5PM. No electronics accepted.

**Recycling Bins** If you still need a recycling bin, you can pick them up at the IRC office, IRC municipal buildings or Scan QR code to download the My-Waste App highway yards. The residential bin distribution event held the end of October was a rousing success but some residents missed the event.

- Hollidaysburg Municipal Building (401 Blair Street)
- IRC Office at Altoona City Hall (1301 – 12<sup>th</sup> Street, Suite 8 in the basement)
- Altoona Highway Yard (5010

Sixth Avenue at Commerce Park)

- Logan Township Municipal Building (100 Chief Logan Circle just off 26<sup>th</sup> Street and Pleasant Valley Boulevard)
- Residents should ideally have a bin with a lid for paper recycling and an open bin for bottles and cans. If you have an old damaged bin or a county bin (that says “Blair County Recycles”) and wish to trade it in for a bin that can take a lid, please bring in the bin for a trade-in.

Very large households may qualify for a 25 gallon round container.

Free lids are limited to one per household for paper recycling.

Wheel kits are available for purchase at the IRC office to all residents for \$2.00 while supplies last. If you have questions please call 942-7472 or email [kpope@ircenvironment.org](mailto:kpope@ircenvironment.org).

## IT IS PENNSYLVANIA LAW!

The Borough takes tremendous pride in the fact that its residents are consistently doing projects to take care of and maintain their homes. It is one of the great attributes of Hollidaysburg.

Be mindful that Pennsylvania State Law requires that you must obtain appropriate permits to have certain types of projects done.

Not obtaining the necessary permits could lead to legal action and fines.

Zoning permits from the Borough may also be necessary. Be sure to make the phone call before your project begins to ensure that the project progresses in a timely manner and that you will not find yourself faced with penalties.

Please contact Planning and Zoning Administrator Patrick Rabits at 695-3880 for information.

A Citizen's Guide to Applying for a Building & Zoning Permit is available at

[www.hollidaysburgpa.org](http://www.hollidaysburgpa.org).

## STREET TREE PERMITS

Please remember permits are needed for pruning or removal of the street trees! There is no charge for street tree permits, however, not obtaining a permit may result in a fine up to \$600. To obtain a street tree permit, please contact a member of the Hollidaysburg Shade Tree Commission.

Patrick Plummer at 695-4370  
Christopher Foster at 696-4131

Thanks for your cooperation in this important matter.

## KEYS FOR CAMP KIDNEY
