

Hollidaysburg Historic Preservation Commission **Contractor Resource List**

This list of contractors is provided for the public's convenience by the Hollidaysburg Historic Preservation Commission (HPC). Inclusion in this list does not constitute endorsement by the HPC, nor does it guarantee that any work carried out by persons on this list will be recommended for approval by the Hollidaysburg Historic Architectural Review Board (HARB). Before engaging the services of any contractor, it is always advisable to receive at least three bids, and contact references named by the contractor, particularly those people for whom a contractor has worked. Inquiring about the nature of the project and the quality and timeliness of the work performed may provide an indication of a contractor's ability of successfully completing your project.

Andrew Holodnik is the Borough staff liaison to the HARB and HPC. Mr. Holodnik may be reached at (814) 695-7543 or aholodnik@hollidaysburgpa.org.

Criteria for Inclusion

Contractor has successfully completed work in the Hollidaysburg Historic District or on an individual historic structure, exhibiting an understanding of the requirements of the Secretary of the Interior Standards for Historic Preservation. Residents are urged to refer reputable contractors at all times as a way to promote preservation.
